## CAN SHE BE YOUR *NEIGHBOR*?

THIS NEIGHBOR'S STORY SPONSORED BY:

*Wouldn't it be nice to have a nurse as a neighbor?*

Access to affordable housing in Polk County is making it possible for hard-working people to enjoy safe and stable housing and contribute to the quality of life in our neighborhoods. Isn't that the kind of neighbor and neighborhood you want?

**Everyone benefits with affordable housing!**

As reported at [www.indeed.com](http://www.indeed.com) (02-15-13), the average annual salary of a nurse is less than 80% of the Area Median Family income.
